### A message from Mrs. Denham

I can't believe our Year 6 children have only six weeks left at Bratton Fleming school. They are busy preparing for their transition visits to their feeder secondary school. We know this is going to be a wonderful exciting journey for them and we can't wait to hear about their visits and experience at their new school.

Reverend Rosie has popped into school this week to say hello. She is looking forward to getting back to visiting school on a regular basis.

We hope you enjoyed buying the ice cream at the end of school today. This is going to be a regular feature every Friday until the end of term.

### Bratton Fleming Pre-School

This week at Pre-School we have been looking at families! We have been talking about and exploring our own family and how everyone's family is different. We have looked at pictures, drawn our families, used the role play resources to play families and even made our own yummy gingerbread family. Outside we have been enjoying the sunny weather and splashed in the water, cooled off in shade with some stories and chalks. This week saw the arrival of our caterpillars, we are going to keep a close eye on them and watch how they grow and change...
