A message from Mrs. Denham

In light of the recent delay in the lifting of COVID 19 restrictions and the rise in cases, both nationally & locally -

- We are continuing to review plans for Sports Day on Thursday 1st July. We really hope we can go ahead with Sports Day for the children, although the attendance of parents maybe in doubt, but we hope not. We will keep you updated.
- Please may we remind parents that under the current Covid guidelines, we still request that you wear masks when dropping off and collecting your child from school.
- It is looking highly unlikely that we will be able to hold the new intake meeting for parents here in school, on Tuesday 29th June. We may be able to hold an online meeting; we will confirm the details at a later date.

Please find below a link to a Ventrus parent/carer survey. We would be very grateful if you could please complete this by noon on Monday 5th July. This survey is anonymous. Thank you for your time and support.

Bratton Fleming Pre-School

This week at Pre-School we have been having a wild week! On Monday we were all surprised to see how quickly our caterpillars had grown and most of them had built their cocoons! We are keeping a close eye on them now and cannot wait to see the beautiful butterflies! We have spent lots of time investigating in the woodlands area, making our own wild crowns and exploring the animals in our woodland tuff tray. We have spent time talking about how to help our bees and made them a little drinking station. Some of the children have asked to make a bug hotel so we got to work and made a fabulous hotel! Inside the children have been getting creative and made something special for Father's Day.
