A message from Mrs. Denham

Thank you to those parents who have already signed up for their child's parent conference. If you have not already done so, please log onto your child's teams account, on the general channel you will find a post for parent conferences. Please click on the link or word document and enter your child's name against your preferred date and time.

We are so pleased the children have thoroughly enjoyed their special sports day this week taking part in a variety of sporting activities throughout the day and raising funds for Prostate Cancer.

They have loved the running, the dancing (watch this space for a final version of the dance next week!) and took part in an obstacle course around the school playground. Thank you so much for all your donations towards our annual charity event.

Supporting the Prostrate Cancer charity started a few years ago with the amazing Nick Butter who visited the school every year for a couple of years whilst he was running a marathon in every country in the world. He was so inspirational and the children still talk about him now. Nick has continued to do amazing things and at the moment he's busy running the whole length of New Zealand! WOW!

Many thanks to Mr Day for organising the special day. As you know Mr Day on Wednesday ran a marathon around the school field. This involved running 197 laps and with an overall elevation of over 3000 feet. It was lovely to see so many children enjoying their own personal 'marathon' running the furthest they ever have. Wow and well done.

Please, please, keep an eye out for the amazing hamper the PTA have prepared for the end of term. Please help support them if you can.

We have welcomed Miss Katy Gover as a new staff member. Katy has joined the Mealtime Assistant team.

All children are enjoying the music lessons. Mrs Baker has now resumed teaching the children music on a Friday.

Bratton Fleming Pre-School

We've had a super week at Pre School, exploring signs of Spring! We have spent lots of time outside playing games in groups and racing in the cars, we have all really enjoyed being in the woodlands, exploring signs of Spring and making some yummy food and drink in the mud kitchen. Inside we have been role playing in the Garden Centre using lots of fabulous language and building really tall towers with the blocks. Some of us have enjoyed making chalk pictures whilst others were busy on a phonics hunt! We have celebrated St Patrick's Day and Red Nose Day this week with lots of great activities!
