## School News

### A message from Mrs. Denham

We have priced up the cost of a skip. We need to move some unwanted wood from the school premises. The cost to do this is excessive. If any parent has the facility to help us and take the wood to the tip for us, we would be very grateful. If you can help please contact the school office for more details.

Reminder next Friday 28<sup>th</sup> May a non-pupil day.

## School News

A child in Lyn class has lost their size 9-11 school sweat shirt. Please can you check that your child has not taken it home by mistake.

# Bratton Fleming School is a NO NUT Zone

## PTA News

### **Sports day:**

The school's sports day will be held on Thursday 1<sup>st</sup> July at Bratton Fleming Sport's Club. Traditionally, friends and family of the school children very kindly donate a delicious Pavlova to be purchased on the day; with all proceeds going towards to school. So we are on the lookout for anyone who will be able to help. More details to follow.

### **Village jumble walk:**

Unfortunately, the village jumble walk had to be postponed due to the weather last Sunday 16<sup>th</sup>. We are hoping that the sunshine will come back soon and a new date will be confirmed. The PTA will be running a stall; we will give you more details about this when we know more.

### **Millennium Green Playpark:**

The Parish Council have been in touch and need the children of Bratton Fleming Schools help! They would like to know what play equipment the younger children (0 – 8years approx.) would like/need in the millennium green playpark. Over half term, a sheet will be sent home with the children to complete. They would really appreciate all your ideas. So thank you in advance. These sheets can be handed in, in a tray on the front door step of the school.

## Community News

### **Bratton Fleming Pre-School**

This week at Pre-School we have been looking at one of our favourite books, 'Dear Zoo.' The children love animals and we have spent time each day discussing the story. We planned some activities around this where the children have enjoyed a fabulous tuff tray full of animal adventures, made pop up animal cards, pretended to be different animals and even baked breadstick snakes, yummy! Some of us have used Lego to build animal houses, others played group games whilst practising sharing and turn taking. Outside we have enjoyed driving the vehicles around avoiding the road works and chalking on the floor.
