Message from the Headteacher

Good Afternoon Parents and Carers,

Transitions are part of our everyday lives and at this time of year, teachers and pupils' thoughts turn to the significant but regular transition of a new school year. Change is part of everyday life and emotionally managing change is an important life skill. We are talking to pupils about next year, answering questions and preparing them for the change. Many pupils are excited by moving into the new year group but it can also be normal to have some apprehensions. Next Wednesday is our 'Move Up' morning, where children will be with their peers and new teacher to have time to get to know what to expect in September. As I am sure you do, please take time to discuss and reassure your child/ren about this normal school transition. As with most change, the thoughts can be more unsettling than the reality! We are planning for a fun and informative morning next week which will hopefully reassure and inform all the children.

I hope you all have a restful weekend.
