A message from Mrs. Denham

We are thrilled that we now have better I.T. equipment in school, each class has six new devices and the children are enjoying using them. We are so very grateful to our PTA and the local community for their support and help to obtain them.

Class Bray and Lyn have enjoyed their 'Wow Day' today.

Year 6 Leaver's Assembly

The Year 6 leaver's assembly will take place on Wednesday 21st July at 2:00pm. We are not sure at present what the guidelines will be, but we hope at least the Year 6 parents will be able to attend.

At Bratton Fleming School we promote and encourage a love of reading. An exciting opportunity has come up to involve village and community members in this too.

The Ilsham English Hub, in conjunction with the Exeter Diocese, are offering free training to community members to enable them to come into school and share stories to promote a love of reading.

This training for volunteers will be via Zoom on Thursday 20th May or Thursday 24th June 2021 from 10-11:30am.

Following the zoom training, community members could then volunteer to come into school and share stories with the children. All volunteers would have to complete a DBS check in order to come into school and this would all depend on the Government COVID roadmap allowing volunteers into school. If anyone felt more comfortable coming into school in September that too would be wonderful. We would love the community to be a part of our love for reading at Bratton.

If you would be interested in this or have any questions please contact teacher, Laura Shapland by the 17th May 2021.

Please find attached to this newsletter the holiday dates for 2021-2022.

BRATTON FLEMING PRE-SCHOOL

At Pre-School this week we have been looking at Transport because our Pre-School children just love all different types of vehicles! We have been making paper aeroplanes and helicopters, practising our riding skills on the vehicles outside and making both a big car wash and a little car wash with shaving foam and water. We have enjoyed listening to our vehicle story CDs and talking about what we would like to travel in and where we would like to go. We haven't let the wind and rain spoil our fun either, we have spent lots of time outside painting, running and driving around!
