<i>b</i>	School Policy and procedure			
What kinds of SEND do pupils in the school have?	 Bratton Fleming CP School is a mainstream primary school with children taught across three mixed aged classes. Pupils at the school are aged between 3 – 11 years. Mrs Hannah Day is our Special Educational Needs and disability Co-ordinator (SENDCo) who has built strong links with many other agencies including: Educational psychologists, Occupational Therapists, Dyslexia Specialists, Speech and language therapists as well as member of the SEMH team. The school supports children with a range of Special Educational Needs including; Social and Emotional, Communication and Interaction, Cognition and Physical and Sensory difficulties. Our most recent OFSTED report in November 2022 noted that at Bratton Fleming CP School: 	SEND Policy 2024-25

How do teachers help pupils with SEND? How will the school support my child?	We use the Devon Graduated Response Tool to ensure there is high quality universal provision for all which is regularly monitored. Teachers plan and deliver high quality first teaching which is differentiated to suit the children's ability and adults work to support groups daily, especially in English and Maths. Interventions are put in place to support SEND children's needs and additional resources are purchased where necessary. Staff work hard to try and narrow the gap in attainment and progress with the aim to make the children work more in line with age related expectation.	
How will the curriculum be matched to my child's needs?	The Devon Graduated Response Tool is one tool use to support teachers with initial concerns and to ensure that the right provision is in place to meet the needs of a child. Discussions are held between the class teacher/SENDC σ and parents where necessary. A child is identified as have Special Educational Needs or disabilities (SEND) if they have needs which are:	
Is there any additional support available to help children with SEND?	 A significantly greater difficulty in learning than the majority of others of the same age, or A disability which prevents or hinders him or her from making use of facilities of a kind generally provided for others of the same age in mainstream schools (SEND Code of Practice 2015) We follow the 'Assess, Plan, Do, Review' model and run interventions on a 10-week cycle throughout the term. These interventions are planned carefully taking account of the child's needs and any outside agency recommendations and are monitored throughout the term. 	

	For children who need further support and have ongoing long term	
	needs an Education, Health and Care Plan can be applied for.	
How will the school	All children who are identified with SEND have an Individual	
know how well my	Education Plan (IEP) which details their current attainment, provision

	they are working on. These are shared with parents each term and	
	outcomes are reviewed to share the progress that the child is making.	
	For these discussions, it might be appropriate for further referrals to be	
	made.	
	Other assessment tools we use to track progress are:	
	Little Wandle Assessments	
	Speech and Language Link assessments	
	Accelerated Reader assessments

check on this?	Children's IEPs are reviewed each term and new outcomes set. These	
	are shared with parents. The SENDCo will then analyse how well the	
	children have achieved their outcomes to ensure that the outcomes	
	have been set appropriately and that these have been effective.	
	As well as termly IEP meetings with parents, any child with an EHCP	
	in place will also have Annual Review meetings and if necessary, an	
	interim Review can be booked at any time.	
How will my child be	All children are included in all areas of the curriculum including trips	
included in activities	and activities outside of the classroom. At times, adaptations may	
outside the classroom,	need to be made to ensure it suits the child's needs, but these will be	
including school trips?	shared with parents with the support of outside agencies, where	
	necessary.	

How will you support my child's overall well-being?	Children are taught PSHE through standalone sessions as well as woven throughout the curriculum. We also teach RSE as per the Government Guidance as well as learning about Internet safely,	Ventrus Administration of Medicines Policy – which you can <u>access here</u>
	PANTS from the NSPCC website and access to staff as required.	
	The school have 3 Safeguarding Officers: Angela Fernyhough (head	
	teacher), Hannah Day (SENDCo) and Sophie Sluman (teacher).	
	All children across the school can take on responsibilities and leadership roles including: Classroom Responsibilities School Council representatives Mental Heath Ambassador Bratton Fleming CP School is an inclusive school. We work closely with our Inclusions Officer and other outside agencies to ensure that every child thrives and had a positive time in school. This also includes ensuring we have listened to Pupils Voice. We work closely with the Mental Health Support Team for schools (MHST). We have a Mental Health Practitioner (MHP) in school once a week to support the development of a whole school approach to	
	mental health, working with staff, children and parents.	
	We also work collaboratively with parents and multi-agencies through the Early Help Assessment Plan and support the whole family.	

Involving families		
How will you help me to support my child's learning? When will we be able to discuss my child's progress?	All parents are invited to parents evening twice yearly to discuss their child's progress with their class teacher. All parents of children with SEND are invited in termly to meet with the class teacher and SENDCo for their child's IEP to be shared with them, to review last terms IEP, the provision in place and outcomes that have been set. This meeting is also a chance to discuss strategies and resources that parents can do to support their child at home. If a child has an EHCP then parents will be invited to an Annual Review meeting which might also involve different agencies. If the family has and Early Help Plan in place, then the SENDCo will review the plan half termly.	
	A parent or staff member could request a meeting at any time throughout the year to raise any concerns or discuss pupil progress at a mutually convenient time.	
How will my child be able to share their views?	Teachers and children will have regular conversations about their learning and pupil conferencing throughout the year. Children will also be invited to share their views when referrals are made or as part of the EHCP process or Annual Reviews.	
How will you support my child when he/she joins your school or moves class or transfers to a new school?	Prior to a child starting school with us, the class teacher and/or SENDCo will be in contact with previous settings and any relevant information shared. A transition meeting is also arranged between home and the school. In some cases, extra transitional days might be put in place. When children change classes, the children spend a day in their new class with their new teacher. Transition books are sent home for	

	certain children which shares photographs and information which can	
	be discussed at home.	
	If a child moves to a new setting, then the class teacher and and/or	
	SENCDCo will be in contact the new setting and complete any	
	paperwork as necessary.	
	During the Year 5 Annual EHCP Review, the focus is on transition to	
	secondary school and ensuring that the most appropriate setting is	
	documented.	
	The SENDCo can support parents at viewing any new settings and	
	liaising with outside agencies, where appropriate.	
	Any SEND information is shared with new settings either through	
	posting documents, our electronic system of CPOMS (which is an online	
	system where documents and meeting notes are saved) or egress, an	
	intelligent secure email system.	
Staff skills and wider support		
What skills do the staff have to meet	We regularly look at the skills that staff have and if further CPD is	
my child's needs?	needed. When allocating staff to classes the SENDCo and the Head	
	Teacher think carefully about the children's needs and allocate staff	
	accordingly.

Accessing advice	and support	
What should I do if I think my child may have a special educational need or disability?	If you have concerns about your child's progress, you should speak to your child's class teacher initially and an appointment can be made via the school office School number: 01598 710337 School email address: <u>brattonfleming@ventrus.org.uk</u>	
	If you continue to be concerned that your child is not making progress, you may speak to the SENDCo so a meeting can be arranged and a plan of action can be put into place: SENDCo: Mrs Hannah Day. Please contact the school office.	
	The school's SEND Governor is: Mrs Elizabeth Mitchell	
	Please note: The SEND Governor works with the SENDCo to discuss, and review SEND provision and support in school. The SEND Governor does not deal with issues related to individual children. If you have any queries or concerns regarding your child's needs, please speak to your child's class teacher or the SENDCo.	
What do I do if I'm not	If you have any queries or concerns regarding to your child, or how the school managed supporting your child, please first contact the class teacher, SENDCo or Head Teacher. If you feel your concerns are still ongoing then please refer to the schools Complaints Policy.	Please see School Complaints Policy under School Policies: which you can access <u>here.</u>
happy or if I want to complain?	The SENDCo will be able to support parents further by signposting them to relevant services.
